Rocket yourself into KVSC's nebula and join us in reveling in Trivia 2013: A Space Oddity. KVSC's 34th annual Trivia Weekend revolving around a galaxy of questions celebrating intergalactic space, history, pop culture, music and sports. Trivia Weekend eclipses Central Minnesota February 8-10, 2013. Trivia Teams, infinite in size, are able to dig deep into dark matter to search for teammates via satellites across the galaxy. The fee for each team to participate in this competition is \$45. Volunteers—hailing from celestial heavens—equip your spacesuit and prepare to orbit the phone bank for 50 hours.
